

PARKING AROUND THE MASJID

If the masjid's parking lot is full, please drive a block or two around the masjid to find a free parking spot. If free parking is not available, you can use the paid parking at College Main Parking Garage on College Main Ave. or other on-street metered parking (as shown on the map). Please do not park in the parking lots of neighboring properties. Your vehicle will most likely be towed by the management of those properties.
